Words from Wiggins Dennis Wiggins Association President

We are coming together with many ideas from many places for one purpose; to celebrate our community – West Salem – and to thrive in our diversity. Strength can be found when we unite and work together to feel secure in our homes and create beauty in whatever form we see it. We want to surround ourselves with people whose presence increases life; people who give more than they take. It is said that the more diverse our lives and environment, the stronger and more influential we stand in the world. Our diversity is what make West Salem strong.

It is West Salem's Time! In coming out and getting to know your neighbors you are building our community and re-energizing our West Salem Neighborhood. The West Salem neighborhood was created on the foundation of its craftsmen builders. Our neighborhood will thrive with input from the diverse cultures destined to lead in the future.

C³ is a manifestation of commitment made by The Downtown Middle School to give back to their community. They are learning the value of a community in their future.

C³ – Celebrate Cultures & Community – is a fair filled with fun! We will have something for everyone! Best of all, we will have a good time with good people. Come out and see a vibrant community in action! West Salem – a community of opportunity and diversity! A great place to build a life and grow a family!

Dennis

Updates. . .

TOWER - You may have noticed that the landscaping has been neglected at the tower on the corner of Cotton and Green. Our treasurer, Chris Leak, has been in touch with Dale Rose, the regional vice president, regarding the issue of maintenance of the property as well as the issue of the donation SpectraSite agreed to make to our Association. Chris and our president, Dennis Wiggins, are taking a firm stand on the issue of appropriate maintenance of this property. Bring your thoughts and ideas to our May meeting, ready to share!
