

## Next meeting Monday, June 10

Deeds Hall, Piedmont Baptist College, Room D-105 at 7:00 PM

Come share your concerns and ideas for the neighborhood. Meet your Neighbors and help shape the future of our community. Meetings typically last one hour. Important news and current topics are discussed.

### Words from Wiggins Dennis Wiggins Association President

Summer is here. People are out. What a great time to get to know your neighbors! Take a walk. Say hi to people along the way. Make new residents feel welcome and part of our community. Bake them a welcome cake. Give them a reason to want to belong to our neighborhood.

We have a bit of a problem with some of our residents. They behave as though they don't know the value of their lives, often not respecting their neighbors. However, we must not assume. Remember we are a diverse neighborhood --- it is what makes us great!

Let's find people we do want living in our neighborhood. Come to our next meeting and learn about WOSHI, a paved pathway into our neighborhood.

#### ALSO: Piedmont Baptist College - Projects for Students

The new President Elect of Piedmont Baptist College, Mr. Charles Pettit, has committed to bringing the college's support to enhancing their home community, West Salem. If you have any ideas that would help enhance our community, beautify our environment, or make our neighborhood safer, please let me know. I will be working with Mr. Pettit to identify potential projects in our area.

Dennis

### Updates . . .

**SpectraSite TOWER** - The tower at Cotton and Green is currently being maintained by SpectraSite site crews on a bi-weekly basis. They are working on a maintenance contract to have a landscape company handle this maintenance on a bi-weekly basis. This should be in place within the month. We will continue to monitor the progress of this site to ensure its proper care as part of our community, and will appreciate any input from neighbors!

#### NEIGHBORHOOD WATCH

Neighborhood Watch attendance was tremendous this past weekend! Nearly 20 people showed up on Friday night to enjoy live music by Barry Carlton and his friends, and singing by neighborhood children! Barry also brought watermelon! Saturday there were almost a dozen neighbors at the watch and we enjoyed grilled chicken and veggie-bobs, courtesy of Don Hill. We encourage everyone to come out for a time of fellowship with your neighbors. It is simply a time to get to know your neighbors and present a positive presence in our neighborhood. Come enjoy the fellowship meet your neighbors! Join us, 10:00 PM - 12:00 PM each Friday and Saturday night!

Chris
