Coming in May! "Ye Olde West Salem Scrapbook"

Volume I

The early history and beginnings of West Salem will be presented in an old-timey scrapbook format. Photos, newspaper and magazine clippings abound in this piece of Americana History containing 50 plus pages.

Houses and structures from the late eighteenth century and all of the nineteenth century, which are still in existence in our current West Salem Historical District, circa 1782, will be detailed and presented.

Volume II arriving later this year, will profile the houses and period pieces from 1900 through the present time. Call Michael Bricker, founder, with questions: 750.0402.
